CLASS DESCRIPTION

ADAPTIVE CARDIO: An approach to exercise designed to accommodate individuals with disabilities regardless of skill. *The membership is waived for one caregiver, if needed (must stay in the room with participant).

CARDIO SCULPT: This energizing workout makes you feel liberated and alive. Cardio blocks push fat burning systems into high gear.

CHISEL: Define, tone, sculpt and chisel long lean arms and legs with this total body workout using weights and body movements.

Low Impact/Strength: This Class goes easy on your joints and works to improve your overall strength, balance and conditioning.

EQUIPMENT 101: Not sure where to start or how to use the equipment? Learn the basics and get familiarized with the nautilus equipment. Sign-up at the welcome desk to ensure your spot, as space is limited.

GENTLE YOGA: An effective class that is safe and compassionate. This class offers a environment welcoming to all.

LATIN & LINE: Move to the sound of Latin music while learning the newest and tried and true line dances.

Hi-LO & Out We Go: 45 Minutes of HI Cardio & LO impact will make both your heart and joints happy :) Easy to follow choreography makes for easy transitions, perfect for all fitness levels.

HIIT (High Intensity Interval Training): Alternates between short burst of intense exercise and brief recovery periods. All Exercises can be modified for your fitness level

SILVER SNEAKERS ®: The RAC offers four forms of Silver Sneakers.

1. **CLASSIC:** Wondering where to start? This class is the place! It offers a variety of exercise designed to increase muscle strength, range of motion and functional fitness
2. **CIRCUIT:** Alternating between cardio, balance and strength segments makes this class a tad more challenging then the Classic.
3. **CHAIR YOGA:** Your whole body will move through a complete series of seated and standing yoga poses, to increase flexibility and balance
4. **Stability:** Focused on improving balance, this standing class uses chair support to advance cognition and fall prevention skills.

SUNRISE YOGA: A gentler, less intense form of yoga that will increase strength, flexibility and reduced stress while connecting mind, body and breath. A chair is offered, however participants are free to take poses to a standing position depending on their own comfort level

TOTAL BODY WORKOUT: (TBW) Just as the name implies, you will tone and tighten every major muscle group for a total body workout. This class involves mat/floor work.

TRX: A form of suspension training that uses body weight exercises to develop strength, balance, flexibility and core stability.

VINYASA YOGA: This class utilizes fluid movement, synchronized to breath, providing pose variations for all levels from beginner modifications to more challenging advanced poses. Reduce stress, improve breathing, strength and flexibility.

ZUMBA ®: A fusion of Latin and International dance using music to create a dynamic workout that is FUN and EASY to do.

20/20/20: Three workouts in one! Class will include 20 minutes of cardio, 20 minutes of strength training, and 20 minutes of balance and flexibility exercises. A variety of class formats and equipment will be used in each segment.
